Case No. 23-cv-05964-TLT

ORDER OF DISMISSAL

13 On January 5, 2024, the Court denied plaintiff's motion to proceed *in forma pauperis* (IFP)
14 and directed plaintiff to pay the full filing fee within 14 days or the case would be dismissed
15 without prejudice. ECF 18. That deadline has passed, and plaintiff has not paid the full filing fee.
16 This action is therefore DISMISSED without prejudice to plaintiff filing a motion to reopen the
17 case upon paying the full filing fee. The clerk shall terminate all pending motions, enter judgment
18 for defendant, and close the file.

IT IS SO ORDERED.
